

THE CULTURE IMPACT

Employee Engagement Insights

90% Employee Engagement

*e3 Solutions

- Engagement scores overall are the highest we have measured
- Intra-team dynamics and supervisor-employee relationships are cultural strengths
- Employees appreciate our culture and they want better cooperation among teams

Their flexibility. They have always been very flexible with everyone in every way they can, and it makes us feel valued knowing that they care about their employees enough to work with them through any obstacles. Many other companies aren't like this and they are a lot less understanding.

I believe that MMP has many checks in place to make sure that we keep on track by seeing the numbers each and every day. This also allows us to make adjustments from time to time to improve in areas where we have that opportunity. There is always room for improvement and MMP strives to improve every day.
