WHAT THIS MEANS FOR THE COMMUNITIES WE SERVE

Workforce stability you can count on

Engaged teams stay longer – reducing turnover and protecting the continuity of the service relationship your community depends on.

Lower churn = consistent service

Clinical precision, every fill

Employees who trust their leadership perform at a higher standard – sharper attention, fewer errors, and greater investment in resident outcomes.

Culture drives clinical accuracy

Responsive, accountable support

Aligned teams escalate problems before they become crises. Your pharmacy partner is as invested in your residents as you are.

Proactive, not reactive

A partner built to grow with you

Seven years of sustained certification through rapid growth signals organizational maturity – a company capable of scaling without sacrificing quality.

Proven through growth

VOICES FROM MMP LEADERSHIP

“This milestone reflects what we set out to build from day one – an organization where people feel genuinely valued and where the mission connects everyday work to something that matters. Seven years is not an accident.”

Labinot Avdiu | CEO

“This certification belongs to our people. We are committed to continuing to build an environment where everyone who joins MMP can do their best work and grow alongside the organization.”

David Doubek | President

“When our team feels supported, that confidence carries directly into every interaction with the communities we serve. Consistency starts with people who are engaged, trusted, and invested in the outcome.”

Patrice Johnson | VP of Partner Success

“Culture is an investment that compounds over time. Seven years of certification is not just a people story – it is a financial one. Our team is our most durable competitive advantage.”

Samantha Oryhon | VP of Finance & Human Resources
